

Leen & Ria La Rivière are pioneers in the fields of youth, the arts, music-ministry.

They have been active since 1969. As results can be mentioned: The European Continental Singers, the Christian Artists Seminars & Symposia, the International Christian Artists Association, books, magazines, etc.

Being creative, innovative is not easy. To be pioneers and in leadership is not easy at all. You can learn a lot from their many years of experience.

This book was written to celebrate their centennial (together Ria and Leen were 100 years old).

This book is interesting and a challenge for leaders, elders, pastors and parents.
